

October 15, 2014

The K of C hall was packed with Dearborn Kiwanians, Garden City Kiwanians, Edsel Ford Keyclubbers and a few folks from the Melvindale club.

Al "The Truth" Holmes had a new location to take money. He had his table set-up in the coat room.

President Marxer was absent tonight, so first VP Killian was at the helm. He appointed Ricardo Nettlow to act as Sherriff, and lawman Nettlow put the bite on everybody. Raymount Scorboria, had his singing gig extended an additional week, so he led the choir in "God Bless America".

Parson Skip Armstrong then gave a brief blessing to the dinner (Skip also does weddings and christenings).

As usual, there were fines from the floor during dinner. Renan, who was sitting at the front table with his guest, the evening's speaker, tried to fine last week's reporter "BabyDoll", for some disparaging remarks. Unfortunately for Renan, the rules state that you cannot fine a letter writer for doing his/her job. Nice try though.

Then acting President Killian, brought out the birthday list. Dr. Paul Georke's name was at the top of the list. Paul wanted a quartet to sing his song. He didn't want the "Four Seasons", he didn't want the "Four Tops", instead he wanted the "Four Howellers", then 2nd VP Linda took the microphone and announced that Don Killian was also a October Birthday Boy. So the entire crowd sang Happy Birthday to Don.

Linda and Don stood up and sat down, then stood up and sat down again, before introducing our guest, who spoke about estate planning. A very good program. The two Edsel Ford keclubbers spoke for a few minutes. The "Big Gooberette" Linda Michalak gave a short update on the Peanut sale. We are doing pretty good, but need to sell more, as the TEAM competition ends on Wednesday, October 22, 2014 @ Uncle Ray's house. Please bring all your checks and money to the cook-out, for final tabulation. Al says we will still accept money until the end of the year, but to help your team, bring the money on Wednesday. Cook-out food: Buggers, Boar's Head Sausages, Beans, and Beer (possible "pie like substance")

Frank Purrington is planning next year's baseball game, and is trying to determine the team we would like to see.

Choices are June 3rd vs Oakland Athletics or June 10th vs Chicago Cubs (premium game). Let Frank know who you prefer at the cook-out.

"Stirring the drink",

Mr. October
