From NYC bureau:

Your reporter forgot his notes from Wednesday 's meeting, so here is what I remember- Pretty good crowd, with Plenty O' Green being worn. Ray Scoboria was handing out greennecklaces (like they do in New Orleans) to all the women in attendance-not sure what they had to do to get one.

Anyway, 1st fine came from first finer Al Holmes on his usual target Dr. Gisele. Then Adrienne, one of the necklace recipients, ponied up five happy bucks, for the previous night's U of M Dearborns Circle K sponsored Wheelchair hoops game. We had plenty of volunteers and think this event will get bigger ever year-Kudos to AZ & the kids @ Michigan along with the DMC wheelchair bball team.

Evenings program was Dr. From Beaumont speaking to Medical mission in Nepal , and helping kids in Detroit. Also fundraiser from above program in repelling down 1st National building in Detroit. Then it was time for "uke" Scoboria and the Irish Tenors to sing a few tunes. A good time was had by all.

Still on assignment in Trumpsville,
