

May, 25, 2016

There were plenty of people at the meeting on Wednesday. We had Army troopers, Circle K peeps from U of M along with DMC Alliance Awareness, who help us with the annual Wheelchair BBall game. Pat Richardson had the job of sheriff for the evening.

Ray Scorboria led us in "GBA" and Norm Record gave the evening prayer. Treasurer Al Holmes started off the evening's festivities by fining Bob Zimmerman for "standing the wrong way" when we were accompanying Ray with "God Bless America", Tommy "Guns" Gillespie counter-fined Al for "looking the wrong way" during "GBA". Then the Happy & Sad dollars came out. Al gave a buck for Norm. Richard Nettlow ponied up a happy \$, and Renea gave happy \$ for being amused during the meeting and a sad dollar because she is going back to California for her daughter's scheduled operation. Ray Scorboria gave a happy buck for the concrete work being completed on Heinze street.

Larry Jackson gave a Happy Dollar for his upcoming 40th wedding anniversary. Congratulations Larry & to your lovely wife.

Al then fined Larry for something that occurred on their home street.

President Don showed us a produce bag, with our logo printed along with other sponsors, that will be used at the Dearborn Farmer's Market, which is held every Friday during the summer in West Dearborn (parking lot behind Buddy's Pizza).

Jerry Assenmacher gave us an update on the N>O>A>H> project, scheduled for June 8(making the sandwiches) and June 9 (distributing them @ Detroit's Central Methodist Church). We plan on making & distributing 350 sandwiches.

Norm asked that the Parade volunteers be at the K of C parking lot NO LATER than 9:00 a.m. on Monday, May 30th.

We will car pool to the East Dearborn assembly point to march in Dearborn's Memorial Day Parade. The Parade is going East to West this year, with the end of the parade being the Henry Ford Library.

After dinner, V.P. Linda introduced Joy Wittenber & Jeffery Leton, from the Center for Neurological Studies.

Jeffery gave a long and in- depth presentation on Brain injuries. Some caused by sporting concussions, and many attributed to IED explosions. His goal is to get all the support teams & facilities on the same page to help the sufferers for Brain trauma.

Then there was a Board Meeting.

Waiting for June to start busting out,
O. Hammerstein
