

June 20, 2018

It was the last day of spring and the summer political campaigns were just getting started. Our guest speaker was our long time County Commissioner, Gary Woronchak. Gary has been our County Rep for 14 years and before that he was our State Representative. Before that he was a newspaper reporter, a newspaper editor, a short order cook at the Green Onion and a bathing suit model for Sears & Roebuck. All in all a well rounded man.

Now Gary has his sights on the State Senator position from Dearborn/Allen Park/Midwest Detroit. Apparently this district is about 50% in Detroit and leans about 80% democratic in voting. Gary is the only democratic candidate not from Detroit and nobody even knows who the republican is so if you're a republican and want your State Senator to be a local guy you can bump into at the grocery store you might want to consider crossing over during the Primary election and voting for Gary. Whoever wins the primary is a shoe in for the general election.

Get well soon wishes to Maria who missed her very first meeting this year after catching an infection during a body piercing appointment at the "Hairy Armpits Tattoo Parlor" in Livonia. Hope to see her this week.

Our 90th anniversary party is just around the corner on July 18th and we're getting the decorations and open bar ready. If any one has a bottle of booze sitting around that they wish to donate to the cause (bumbleberry Schnapps from Aunt Ethel for Christmas 1974) let Al Holmes know so he can add it to the Witches Brew. Wine and beer are also welcome.

Upcoming Events:

June 27th – Dinner at Buddies Pizzeria on Michigan Avenue in West Dearborn. Private room with no formal meeting to interfere with the gabbing. In case you've forgot, Buddy's is right next to the old Bryant Library where you used to kiss Mary Beth behind the Dewey Decimal System Drawers.

July 4th – No meeting tonight. Buy the biggest firecracker you can find and try to scare the poo out of old people.

July 11th – Beth Jacket from the Annapolis High School Key club will tell us what's happening with the Cougars. Leon, an Annapolis graduate will lead us in "Fight on Cougars, Forever Blue & Gold".

July 18th – Picnic at Dearborn's Ford Field. This is our 90th anniversary celebration and we need everybody to turn out. We have a caterer, open bar and the grunge band "All is Lost" for the rock bottom price of \$20 a person, same as a cook-out but a lot more food and entertainment (dancing monkeys, tomahawk throw, tongue piercing). Sign-up sheet at Treasurers desk or call Renea at 313505-0331.

There is always light at the end of the tunnel - if there isn't, it's not a tunnel ...
