

August 10, 2016

Our guest speaker this week was from "Hands of Hope", a local organization that helps supply school supplies for children in Africa. Attendance was light, sixteen members and two from the Circle K.

This week we expect to see more faces in the audience, our speaker is from the "Michigan Unidentified Flying Objects Network" MUFON. President Don has set aside extra time for this presentation and there will be a question & answer period for all those audience members that "Believe".

The Peanut Sale is almost upon us and it's time to get in the "Sell Those Nuts!!" frame of mind. The Street Sale is September 8<sup>th</sup> 9<sup>th</sup> 10<sup>th</sup> & 11<sup>th</sup> and we hope to break a record this year. On Wednesday, September 7<sup>th</sup> we will be having our annual Peanut Sale Cookout at Little Goober Adrienne & Wes's house, 500 Mohawk Street, about two blocks south of Cherry Hill and three blocks west of telegraph. This is where you can pick up peanuts for the sale, eat some good grub, drink a few cold ones and laugh with old friends.

Our Big Goober Renea has picked Team Captains, who in turn selected team members. Renea has also organized the Peanut Letters and Street Sale sign up sheets, all of which are available at Wednesday's meeting.

Now is the time to start lining up those Corporate Sales, find your "Kids Day Apron", clean all the dead bugs and old cigarette butts out of your money jug, dig your Kiwanis hat out of the fruit cellar and start arranging a place and time to sell on the streets (or in front of a store for all of us that are a little less nimble than we used to be).

#### Up-Coming Events:

I know the voices in my head aren't real..... but sometimes their ideas are just absolutely awesome!
