

August 5, 2015

It was the Dearborn Kiwanis Club's 90th annual Golf Outing Cook-out, held at Tom Gillespies Clubhouse. The linksters, who played the DCC track all had a good time. Wes Zain, was the line cook for the evening, and he was grilling steaks and boiling corn. Our own "Chief Ramsey" (Leon Bergeron) was cracking the whip on the guests, "Get a plate & Get a steak" Leon barked at everybody. He will do well as an "early bird special" host in Florida, after he retires from FOMOCO. Anyways it was a great crowd, with the Treasurer's table on the upper deck of the veranda, with the usual suspects occupying the driveway patio tables. I was seated with Skip Armstrong inside the Terrace Room. It was Donna's Gillespie's Birthday, and we sang her a Birthday song and enjoyed her Birthday Cake.

John "The Big Goober" Curran reminded me to tell everyone that the Peanut drive starts- September 10-13 for street sales, so sign up for a location, and he has the corporate letters ready for distribution.

We had some people work the Friday "ALL STARS" event at Homecoming. I wasn't there but heard it was a fun time.

Cook-out "Thank yous" go to-Wes Zain for his work in preparing the eats, Tom & Donna Gillespie, for opening their home to our Kiwanis Club, and to Jerry Assenmacher for handling the traveling Kiwanis party logistics. Also, to anyone who helped (i.e. got or prepared food, shucked corn, cleaned up etc.).

Buddies for life,
Carl Spangler
